Issue Date: January 23, 2001

NOTICE

The above-identified patent has been referred to the Office of Petitions for consideration of a facsimile communication filed July 31, 2012 by European Patent Annuity Service GmbH. The communication is being treated as a request under 37 CFR 1.28(c), as it includes authorization to charge a maintenance fee deficiency and a letter indicating that patentee is no longer entitled to claim status as a small entity.

The request for acceptance of a fee deficiency submission under 37 CFR 1.28 (c) is **DISMISSED.**

The instant request does not identify the status of the submitter, European Patent Annuity Service GmbH, or the relationship of the party signing to European Patent Annuity Service GmbH. Consequently, the request is not signed by a proper party in accordance with 37 CFR 1.33(b) which reads:

- (b) Amendments and other papers. Amendments and other papers, except for written assertions pursuant to § 1.27(c)(2)(ii) of this part, filed in the application must be signed by:
- (1) A registered patent attorney or patent agent of record appointed in compliance with § 1.32(b);
- (2) A registered patent attorney or patent agent not of record who acts in a representative capacity under the provisions of § 1.34;
 - (3) An assignee as provided for under §3.71(b) of this chapter; or
- (4) All of the applicants (§ 1.41(b)) for patent, unless there is an assignee of the entire interest and such assignee has taken action in the application in accordance with § 3.71 of this chapter.

While the Office will accept maintenance fee payments from third party payers, such acceptance does not extend to prosecution papers, such as papers under § 1.28(c) to correct erroneous fee payments, or to requests that small entity status be removed.

Applicant is given ONE MONTH to submit a properly signed paper requesting a change in small entity status, and a request under § 1.28(c), including a list of the fees erroneously paid

as a small entity and the total fee deficiency to avoid the return of the present fee deficiency paper and fee. This time period is not extendable under 37 CFR 1.136(a).
